

Nomination to Single Account End User

Purpose:

The purpose of this document is to provide detailed instructions for a Nicor Gas Nomination System user to perform all of the steps of a Nomination to a Single Account End User.

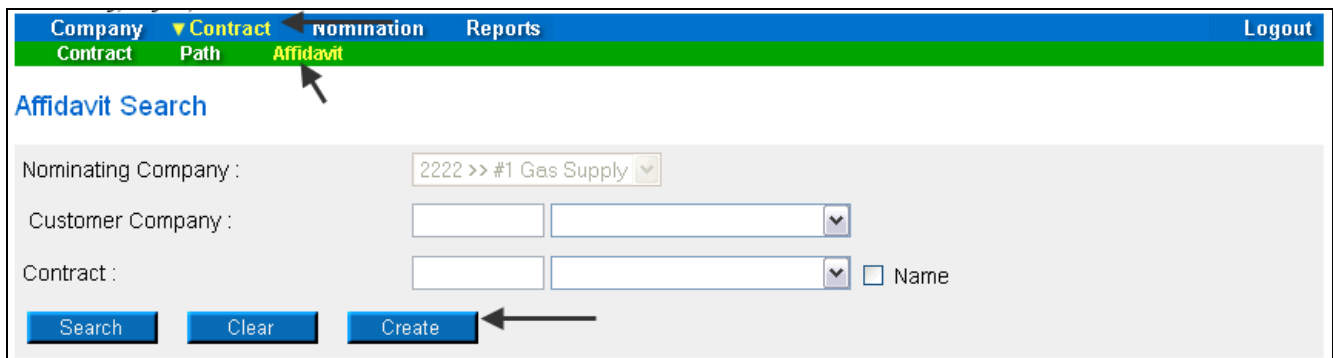

Note: If a field is required to be completed, the field name is **bold**.

Instructions:

Creating an Affidavit

Prior to nominating to a single account end user, an agency agreement must be created using an Affidavit. To create an Affidavit,

1. Select Contract in the Main Menu.
2. Select Affidavit in the Sub-menu.
3. Click the **Create** button.

The screenshot shows the 'Affidavit Search' form. The navigation bar at the top includes 'Company', 'Contract', 'nomination', and 'Reports', with 'Logout' on the right. Below the navigation bar, 'Contract' is selected, and 'Affidavit' is highlighted in the sub-menu. The form contains the following fields and buttons:

- Nominating Company :** A dropdown menu with '2222 >> #1 Gas Supply' selected.
- Customer Company :** Two input boxes, the second of which is a dropdown menu.
- Contract :** Two input boxes, the second of which is a dropdown menu.
- Name
- Search** button
- Clear** button
- Create** button (indicated by an arrow)

4. The Create Affidavit page will display.

8. Click the + icon to add the nominations.

9. If you make a mistake, enter a new nomination for the correct amounts.

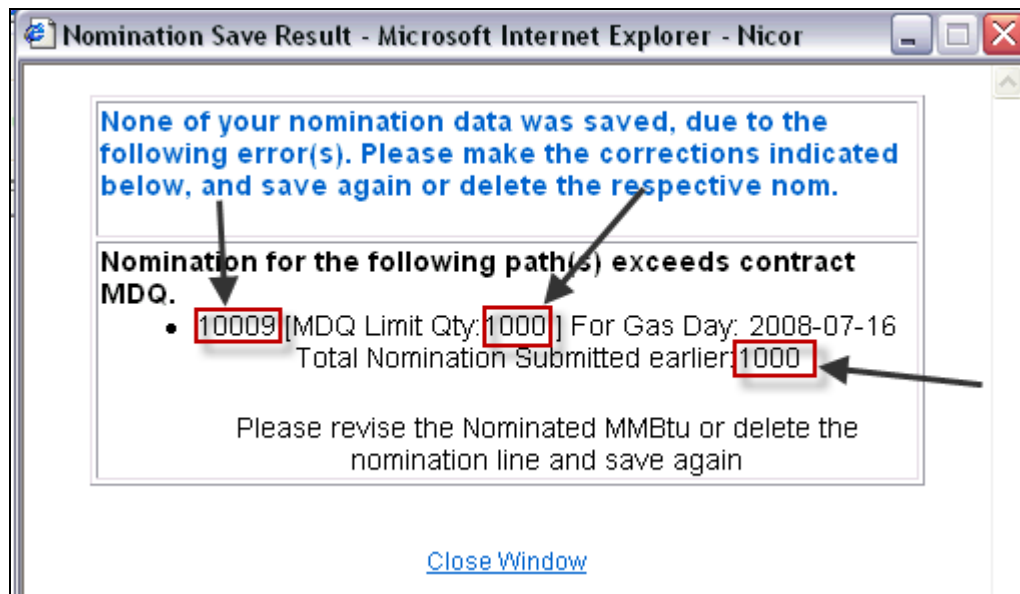

Note: The last nomination amount entered for a date will be utilized.

Ex. You nominate 3,000 MMBtu to a single account end user on 7/16/08. You want to increase the nomination by 2,000 MMBtu later in the Timely Cycle or in the Evening Cycle. You will nominate the full 5,000 MMBtu.

10. When complete, click the **Save** button.
11. If no errors exist, a window will display with the message “Your nominations have passed validation. All nominations have been saved.”

12. Click [Close Window](#) to close the window.
13. If you nominate to an end user, and you exceed the MDQ, the nomination will not save and a window will display with the following message. “None of your nomination data was saved, due to the following error(s). Please make the corrections indicated and save again or delete respective nom.” This message will also appear if another supplier has already nominated to an end user, and your nomination has resulted in the user being over their MDQ.

14. The error message displays the end user contract code (10009), their MDQ Limit (1000) and the total nomination that has already been submitted for the user (1000).
15. To save your nominations, you must change or delete the nomination.
