Nicor Gas Energy Efficiency Program
Contractor Circle member

Contractor Circle instant discount residential invoice checklist

Only Contractor Circle members can offer rebates as an instant discount. Submit the rebate application and the contractor receipt/invoice that includes:

- ☐ Contractor name, address and phone number
- ☐ Account holder name and installation address (as it appears on the Nicor Gas bill)
- ☐ Date installed and operational (clearly labeled)
- ☐ Type of equipment (furnace, etc.), and equipment manufacturer, model and serial number
- ☐ Total installed cost (itemized by each piece of rebate-qualifying equipment)
- ☐ Proof of payment or payment terms (balance due of zero, paid-in-full stamp or financing terms)
- ☐ The full and correct rebate amount deducted from the purchase price, clearly labeled as a **Nicor Gas Energy Efficiency Program rebate**
Other discounts or rebates unrelated to Nicor Gas must be shown as a separate line item.
- ☐ Customer's signature and date of installation
If you are not able to get the customer signature on the final receipt/invoice, have the customer complete the section below and sign. Submit this completed checklist with the rebate application and the final receipt/invoice.

Customer release of rebate to contractor

By providing my signature and information below, I confirm my contractor has provided me with the Nicor Gas Energy Efficiency Program rebate as an instant discount deducted from the purchase price. I authorize Nicor Gas to provide the contractor with the rebate for the product(s) installed.

Installation date:

Total rebate amount deducted: \$
