Bonus Rebate

Get an extra \$25 when you apply for both a smart thermostat and furnace rebate on the same application.

* Limit one rebate per account

[†] AFUE = Annual Fuel Utilization Efficiency

[‡] Uniform Energy Factor

Start saving right away

When you work with a Contractor Circle installing member, you can receive your rebate as an instant discount instead of having to apply for the rebate yourself.

- Ask your contractor about instant discounts for the equipment you are installing.

Multi-family properties may be eligible for rebates too!

Multi-family properties must consist of three or more units, have permanent or semi-permanent tenants and may be an apartment, condominium, dorm, assisted living or a retirement home. Find eligible rebates at nicorgas.com/bizrebates.

Find a Contractor

With about 400 local contractors listed, you're sure to find someone who can help near you.
