- If you are needing to add a new premise please submit a New Agreement.

You acknowledge and agree that this Agreement is also subject to all terms and conditions for Service in Gas tariffs on file with the Illinois Commerce Commission, which include but are not limited to terms and conditions that all meters, regulators and other facilities placed on the premises covered by this Agreement for the purpose of rendering Service to said premises, whether inside or outside of any building on the premises, shall be and remain the property of Nicor Gas. The properly authorized agents of Nicor Gas shall at all reasonable hours have free access to the premises for the purpose of inspecting the installation and of reading, examining, repairing, or removing Nicor Gas' meters or other property.

You acknowledge and agree that, in the absence of an agreement with Nicor Gas to place Service in your name between tenants, Nicor Gas may discontinue Service to the premises when there is no customer of record regardless of time of year or weather conditions. You further acknowledge and agree that, in the event you have such an agreement with Nicor Gas, but you breach or fail to comply with any term or condition of the agreement or for Service, Nicor Gas may terminate the agreement if such breach or failure to comply is not promptly remedied upon written notice from Nicor Gas.
