

# Gotta Dig? Gotta Call 811!

## Are you prepared to dig safely?

Nicor Gas reminds all do-it-yourselfers and professional excavators to contact **811** by phone or online at **JulieBeforeYouDig.com** before starting any digging project. It protects everyone's safety and it's the law!

Always know what's below and dig with **CARE** by following these simple steps:

- Contact **811** before you dig
- Allow the required time for utility markings
- Respect the marks
- Excavate carefully

For more information about safe digging, visit [nicorgas.com/safedigging](https://www.nicorgas.com/safedigging)
