findacontractor](https://nicorgas.com/findacontractor)

General rates and terms

- 6.99% fixed interest rate*
- 1, 3, 5, 7 or 10 year loan terms[†]
- Loans range from \$500 to \$150,000
- Covers equipment costs, installation and some related services
- No prepayment penalty
- Installments will be applied to your monthly Nicor Gas bill
- Work must be completed by an approved contractor

Eligibility

Available to Nicor Gas small business and multi-family customers who:

- Own the property where the installation or service will occur and be listed as the utility account holder
- Have an active utility account that is current
- Are not under a deferred payment agreement or have a pending deferred payment agreement
- Have not been shut off for non-payment in the past 12 months nor have a pending shutoff for non-payment
- Meet utility requirements from application through loan closing

Qualifying equipment and improvements

Equipment or improvements eligible for commercial rebates through the Nicor Gas Energy Efficiency Program with a total installed cost of more than \$500 are eligible. Visit nicorgas.com/bizrebates to find eligible equipment and improvements.

Find a contractor

Only contractors approved by Nicor Gas and Energy Finance Solutions (EFS), the program lender, may perform improvement installations. Self-installations are not eligible. Find an approved contractor at nicorgas.com/findacontractor.

*Customers are subject to the current rate at the time of the application.

[†]1, 3 and 5 year loans are capped at \$20,000.
The loan must be greater than \$8,000 for 7 and 10 year terms.

The Nicor Gas Energy Efficiency Program is funded by
Nicor Gas customers in compliance with state law.

\$20,000	\$617	\$396	\$232
\$30,000	\$926	\$594	\$348
\$40,000	\$1,235	\$792	\$464
\$50,000	\$1,544	\$990	\$580

*1, 3 and 5 year loans are capped at \$20,000.
The loan must be greater than \$8,000 for 7 and 10-year terms.

Rebates still apply

Don't forget to visit **nicorgas.com/bizrebates** and submit a rebate application for the energy-efficient products and/or improvements for which you received an energy efficiency loan.

To start the loan process, apply online or via standard mail

Prior to the purchase of any energy efficiency products or services, customers must pre-qualify for an energy efficiency loan by applying online at **nicorgas.com/eebizloan** or via standard mail. You can request to have an application mailed to you by calling **877.923.2665**.

Calculate your payment

The payment chart to the left provides examples of 6.99% APR monthly payments for various energy efficiency equipment and improvement costs. The cost of the equipment or project will vary based on the estimate given by the contractor.

Payments reflect estimates only. Actual rate and payment based on loan amount, are subject to credit approval by EFS. Minimum loan amount is \$500. All loans are made directly to the consumer by EFS.

Visit **nicorgas.com/bizloan** or call **877.923.2665** to learn more.

The Nicor Gas Energy Efficiency Program is funded by Nicor Gas customers in compliance with state law.
