

# Contractor Circle instant discount residential checklist

All instant discounts must be completed by a Contractor Circle installing member. Instant discount applications must have a contractor receipt/invoice that includes:

- Account holder information as it appears on the Nicor Gas account
- Installation date (clearly labeled)
- Type of equipment (furnace, etc.), and equipment manufacturer, model and serial number
- Total cost of installation, itemized for each rebate qualifying product
- Proof of payment or payment terms (balance due of zero, financing terms or paid-in-full stamp)
- The full and correct rebate amount deducted from the purchase price, clearly labeled as a **Nicor Gas Energy Efficiency Program rebate**  
*Other discounts or rebates unrelated to Nicor Gas should be shown as a separate line item.*
- Customer's signature and date of installation  
*The customer must sign the final invoice or complete and sign the section below. The completed checklist must be submitted with the rebate application and final invoice.*
